High School league series, All Hallows team was given a crushing defeat at the nds of the Collegiate Institute bunch of ball tossers, the final score being 13 to 2 In spite of the one-sidedness of the mix the game was interesting throughout and pleased the fans who witnessed it. All Hallow made a plucky fight but the edds were too much for them. The Collegiate players secured a good held in the first inning and refused to let go.

Lutson for the Collegiate and Quinn for All Hallows, pitched good ball during the nine innings, but the former had the better of it. He allowed but the hits and struck out 15 men. Quilun fanned 16, so it will be seen from this that both went into the affair to win.

Lutson was steady in every inning, but in the seventh Quinn began to weaken. In justice to Quinn it should be stated, however, that he received ragged support, while the support accorded to Larson was good all the time.

The detailed score follows: pleased the fans who witnessed it

NEW SCHEME LAUNCHED.

No Los Angeles Team But Another League Probable.

League Probable.

Seattle, Wash, May 1.—Business Manager J. P. Agnew of the Seattle Baseball clib tonight received a telegram from James Morley, manager of the Los Angeles team, stating definitely that he had decided that under present conditions he would not play ball in California, and asking Agnew to secure the signing of the Los Angeles players with the Butte and Spokane teams in the Pacific Northwest league. This is interpreted as the death of the coast league for this year at least. Mr. Agnew declares the Northwest league is the more feasible. It is expected that the new league will be Butte, Spokane, Gray Harbor, Tacoma, Fortland and Seattle.

BADLY BEATEN. Hurry Worry

Hurry, like a cyclone, whirls you along at a rate that quickly exhausts your energy, and leaves you a nerveless, wretched, broken-down physical wreck.

Worry accomplishes the same results in another way. It drags you through the dark, gloomy tunnel of forbodings, wrecks your nerves and breaks down the constitution.

Then don't hurry; don't worry. But you will; and your nerveless, exhausted condition brings headaches, neuralgia, heart, stomach, liver and kidney troubles. The thing to do is: Strengthen the nerves with Dr. Miles' Nervine.

"Six months I was bedfast with nervous prostration. I had sinking spells, a cold, clamy feeling, couldn't stand the slightest noise. At times I would almost fiv to pieces; stomach very weak. My husband insisted on my taking Dr. Miles' Nervine, and I began to improve before I had finished the first bottle, and to-day I am entirely cured."
